**Nice dinosaurs in fiction albums
with a real documentary value!**

DESCRIPTION

First little dino stories that feature a different species in each title. These animals will cross paths, from story to story, and form a little crew! Each dinosaur features a particular character side (shyness, anger, etc.) and allow children to understand how to better deal with these character traits while learning some details about these fascinating species.

KEY ARGUMENTS

- A topic that never goes out of style among children. Everything they always wanted to know about these fascinating creatures.
- Centered around one dinosaur, each book describes its particularity and its environment, based on scientific facts.
- The little adventures are simple, funny and kind.

Format: 200 x 200 mm **Illustrations:** 11

YOUR MOM FOR LIFE

Code 6298730

Author(s): Marion Donon, Ill. Adolie Day

A mother takes a fond and loving look at her growing child, at each stage of their life: little boy, teenager, adult.

- An ode to maternal love, a beautiful, sweet and poetic text
- A strong artistic choice: graphic, colorful and dynamic images
- An original approach compared to the many texts already published on this subject: maternal love told through the prism of the passing of time.

Format: 210 x 240 mm

Pages: 40

Binding: hardcover

Retail price: 16.95 €

From 3 years onwards

IN YOUR ARMS

FICTION

From 4 years onwards

A stunning collection of the most beautiful children's classic tales

DESCRIPTION

Cinderella, Sleeping Beauty, Puss in Boots, The Three Little Pigs... For every generation worldwide, these timeless tales have been staples of childhood, and stories children remember fondly for their whole life.

Famously written by Perrault, Grimm and Andersen, they come to life, thanks to Colonel Moutarde's beautiful artwork: modern, full of warm colors and wonder!

KEY ARGUMENTS

- A precious and highly illustrated album in a big and beautiful format.
- Classics (original unchanged tales): a safe bet with a large audience and a reading time for the entire family.
- A timeless book of magical tales, suitable as a present for children of all ages, that they will remember fondly as they grow up!

**Discover Pistachio,
a little mischievous and cute witch
and follow her adventures,
together with her best friend,
Soda the frog!**

DESCRIPTION

Pistachio is almost a normal little girl – and a witch! To get the answers to her questions or to add a little fantasy to her first sleepover, she does not hesitate to use her magic (even if she is not allowed to do so yet...) and to cause funny catastrophes!

KEY ARGUMENTS

- A visually original world created by Miss Paty for a refreshing and funny series of 7 titles, where witchcraft is part of daily life.
- Amazing characters and relationships that help children grow up while focusing on a lot of topics of their everyday life!
- **Rights have been optioned for an animated series!**

Format: 170 x 210 mm

Characters: 4,500

Pages: 32

Illustrations: 20

Binding: softcover **Retail price:** 8.95 €

**A series for young readers
with 7 games & enigmas to solve!**

DESCRIPTION

Through these mysterious pages, follow the amazing adventures of Lil' Sherlock and his friends! While reading engaging adventures, children will solve each of the various types of enigmas the book contains: observation games, letters games (such as rebus or crossword puzzles) or identification activities (such as "Who is who?").

An interactive reading adventure that will suit everybody.

KEY ARGUMENTS

- A fancy fictional genre for first readers to have fun with games and interactive investigations.
- Solving the enigmas motivates young readers to progress through the book: there are images to carefully observe, with solutions after each one (not to block the reader in his progress) and a giant enigma on a double-page!
- Stories are very easy to understand in order to focus on the investigation and reading parts!
- Sherlock Holmes remains one of the most fascinating characters for children.

***Let's follow Isild by time traveling
from the Middle Ages to nowadays Palais
Garnier's backstage!***

DESCRIPTION

In the Middle Ages, Isild, 11 years old, is in danger: because of her knowledge, perceptions and gifts, she is accused of witchcraft! She flees through a hidden cave which takes her to the 21st century. In Paris, Rosa, who is the Opera's janitor and...a witch, takes Isild under her wing and helps her join the prestigious dancing school! But, a few days after her arrival, every teacher suddenly seems under the influence of a mysterious spell... Isild and her classmates will do everything to save them!

KEY ARGUMENTS

- A richly illustrated and captivating novel with a dozen pages documenting the Opéra Garnier's real-life backstage.
- The perfect combination of two strong and popular themes: time travel and witchcraft!
- A well-known author with an international renown: her previous books have been translated into 14 languages!

**Discover the classics through
novelization of iconic TV series**

DESCRIPTION

A whole generation of children discovered these two classics of literature by watching animated series in the 80s. Far from being forgotten, these anime saw a resurgence of popularity recently with their inclusion on streaming platforms and their reissue on various formats (DVDs, websites, etc.). This collection provides a fun reading time of timeless classics for both parents, who remember the anime fondly, and children who enjoy manga illustrations.

KEY ARGUMENTS

- Classics reimagined and adapted for a young contemporary public.
- Cult images of the legendary Japanese animation studios currently on air.
- Very endearing heroes with contemporary values: resilience, generosity, benevolence.

Format: 150 x 190 mm

Retail price: 8.95 €

Pages: 96

Binding: softcover

Rights sold: Korean, Japanese

*The first series
of "manga novels"
for children!*

DESCRIPTION

In Hokkaïdo island, four children, tasked by Yatagarasu, the great three-legged raven, join forces to prevent natural disasters (unfortunately not so exceptional in Japan...) caused by the awakening of thousand-year-old monsters. A wonderful series of adventures that awaits this charming group of children!

KEY ARGUMENTS

- A very rich universe, populated with monsters from Japanese mythology and pop culture.
- A manga fiction: a cover, 6 full-color pages at the beginning, then 128 illustrated black-and-white pages of novel.
- 4 heroes in the making: Hina, Kintarô, Také and Yasuo, who will reveal themselves and discover their powers as their adventures unfold.

Format: 140 x 205 mm **Retail price:** 9.95 €

***The life of the pharaoh Tutankhamun,
from his own point of view!***

DESCRIPTION

A very original way of telling Tutankhamun's life, from his early childhood and his rise to power until his death: a diary with comics panels and dialogues that provide different levels of information. The pharaoh talks about himself, his everyday life, his duties, and his relationship with his family, farmers, priests, and even... gods. Discover the geography of ancient Egypt, Tutankhamun's burial, his fading from memory and the exploration of his tomb, exactly a hundred years ago.

KEY ARGUMENTS

- An original illustrated documentary in the shape of a diary.
- Tutankhamun's childhood, from his own eyes, which we tend to forget in light of his myth: an exciting introduction for children.
- Illustrations with a sense of humor, without giving up the rigorous and well-documented aspect of the project.

60 questions, presented through 700 comic strip panels, to explore essential topics in a simple and immediate manner!

DESCRIPTION

Discover all the secrets of the human species through refined comic strip panels and stories: fascinating and easy-to-understand! An illustrated documentary series with very complete content:

- 15 questions per topic explained in a fascinating way by renowned authors.
- A fun quiz at the end of each double page!

KEY ARGUMENTS

- A both unique and original invention for the children's book market: a new documentary series for children, even those who are not keen on reading.
- Immediate understanding of the content thanks to the drawings.
- An attractive design for the target audience.
- Best-seller children's documentary authors Stéphanie Ledu and Stéphane Frattini, two reliable and experienced authors in the field of children's documentaries.
- Comic strip artists Matthieu Roda and Alex Langlois smartly combine the necessary thoroughness of the documentary and the humor of the comic strip.

***The essential Larousse Encyclopedia,
with 500 questions
about everything around us!***

DESCRIPTION

A complete encyclopedia, compiling the most important questions (and answers) on 10 topics regarding the world around us: Space, Earth, Plants, Animals, The human body, The world, Everyday life, History, Arts and Science! Illustrations that have a great documentary value, while also being funny and poetic.

KEY ARGUMENTS

- A richly illustrated book, which answers children's most frequently asked questions.
- Larousse, the historical publisher of the encyclopedia: a guarantee of high-quality and rich content.
- An original format structured with a game of questions/answers, that will appeal to a large audience.

Traveler, scientist, activist...
They left their mark on our
contemporary world!

DESCRIPTION

From the aviator Hélène Boucher to the eco-activist Wangari Maathai, from the chemist Marie Curie to Rosa Parks, the champion of Afro-American rights, from the famous painter Rosa Bonheur to the education specialist Marie Montessori..., this book tells the story of 15 extraordinary women who distinguished themselves through their feats, their discoveries, their outstanding personalities... By challenging preconstructed ideas, they all contributed to the evolution of society.

This book tells their true story in a narrative style easy to understand for children.

KEY ARGUMENTS

- A very large and attractive format.
- Wonderful portraits by Dutch artist Jane Bodil, British artist Sabina Radeva and Bulgarian artist Iglia Kodjakova.
- Tributes to powerful women: a very trendy topic!

Art accessible to children

DESCRIPTION

Through the greatest masterpieces, explained in an accessible and evocative style, this album will give young readers one of their first encounters with art. Divided into three sections: an introductive part on the main issues, a presentation of the major figures (impressionist painters, Egyptian deities), including the most important artworks. For each artwork: its history, a setting with an evocation of its context, a deciphering of 2 or 3 details or symbols and finally a summary of the essential points to remember.

KEY ARGUMENTS

- Author specialized in art history and writing for children
- More than 50 works reproduced in large format

Format: 200 x 243 mm **Characters:** 180,000
Pages: 128 **Binding:** hardcover

***A new collection of documentaries
for children fascinated by science***

DESCRIPTION

Explore the fascinating world of Robots, where everyday or specialised robots and drones now take part in every aspect of our lives (home, work, arts, healthcare...)

This book is an invitation to dive headfirst into this world, from robots' inception to their future. The young reader must reflect on the stakes and consequences of the widespread use of robots in our everyday life...

KEY ARGUMENTS

- An attractive topic mixing science and realistic futurism!
- A richly illustrated book in a very dynamic style with a particularly attractive cover.
- A documentary grounded in reality offering a reflection on the use of robots, away from the dreams of sci-fi literature!

Format: 215 x 280 mm

Pages: 64

Binding: hardcover with metallic effect

Retail price: 16.95 €

All rights available

12th October 2022

ROBOTS

Code 4736137

Norédine Benazdia is also the illustrator of *Solar Impuls*
- *the plane that flies with the Sun* (code 7594790),
Ill. **El Gunto**.

From 7 years onwards

*Simple and fun
identification notebooks*

DESCRIPTION

A series to connect children with the nature that surrounds them: 25 cards to learn and to recognize 25 common species... and sharpen their desire for observation

KEY ARGUMENTS

- Each time they see a species "in the wild", the child puts a sticker on his identification card.
- Numerous game pages: colorings, 7 differences, mazes, ... and practical activities to teach them how to protect nature.
- Ever-popular topics explored in-depth.

Format: 180 x 230 mm **Retail price:** 8.95 €

Binding: Stappled softcover **Pages:** 48

LIVING WELL TOGETHER

From 6 years onwards

Every question a child can have about life's important topics, answered!

DESCRIPTION

In a spoken and straightforward style, the narrator addresses two children and discusses their questions, big or small, about life. By communicating through interaction, these books offer young readers means to navigate their emotions; they are encouraged to talk about their feelings and open up to adults.

Thanks to its simple tone, every adult (teacher, parent, grandmother...) can play the part of the "narrator" and tailor the book's content to the child's specific needs.

KEY ARGUMENTS

- A series used as a collection of "tools" which enable parents and children to discuss questions about various existential matters and start conversations
- Carine Simonet, a child psychiatrist, has a real talent to speak to both children and parents
- Anne Guillard's engaging illustrations allow for an immediate identification with the characters

Format: 170 x 210 mm **Pages:** 32

Binding: Integra cover **Retail price:** 9.95 €

Author(s): Carine Simonet already wrote the series *Questions help us grow up* III. Anne Guillard.

***The cracking guide on
how to live well together
that everyone should read!***

DESCRIPTION

The use of good manners is essential to living harmoniously together: it demonstrates mutual respect and education. But they are too often presented to children as the necessary inconvenience to enter the world of "grown-ups"... By sprinkling obligations with a little humor and simplicity, every lesson will be assimilated much better!

KEY ARGUMENTS

- A timeless subject: politeness and the principles of living together.
- Simple and funny maxims: Good manners and politeness rules are described to children in a clear and engaging manner.
- Never boring, never preachy!
- Philippe Jalbert's off-the-wall illustrations are full of humor and spirit, with bright colors and mischievous characters.

All rights available

21st September 2022

Code: 4197327

Retail price: 14.95 €

Format: 195 x 200 mm

Nb of pages: 160

Binding: Softcover

Author(s): Philippe Jalbert

From 6 years onwards

***An interactive book
to test our relationships with others...
and become a true hero!***

DESCRIPTION

Jackorn would do anything to please Hawcorn. But when he plays with other acorns, Hawcorn acts as if Jackorn doesn't exist, and even sometimes teases him. Is Hawcorn even a good friend? In this little interactive tale, children are asked to reflect through their actions on whether a relationship is healthy or not and to help them better understand the world around them.

KEY ARGUMENTS

- An engaging and beautifully illustrated story where children can take an active part, and which helps them be well surrounded.
- Small acorns for heroes, to allow the child to put relationship problems at a distance.
- Illustrations combining tenderness, kitsch, humour and influences from the American aesthetic of the 1960s.

All rights available

7th September 2022
